**A Company is always known by the Company it keeps  
And you are in good company.**

NEIMAN-MARCUS

The cornerstones of my business over the last forty years have been Trust, Integrity, Quality, Respect and Professionalism. These are many of the reasons that Everyone deals with certain high profile companies in the USA and abroad. Listed on this page are many brand names you know. Your company may already be doing business with some of these corporations.

ESTÉE LAUDER

These companies have discovered that when they do Business with Thomas Catanese and company they Get much more than they bargained for.

GODIVA

They get the real benefit of the leading expert in the Gift and Gift basket industry. Which means that they Discover that I can be a great source of technology for them and that translates in to profit dollars.

Hilton

These companies know that I can mean bigger business for them. I am not a salesman selling them products. I am a partner in their business who they can call on for answers and advice about their problems.

MGM GRAND

In every industry around the world, there is one leading Expert who rises above all others, I believe that I am that expert.

When you earn the trust of any company that you deal with, Then they know you will not destroy that very important bond.

Balducci's
